

Scouts will start their day preparing breakfast in their campsite and conducting a flag ceremony. From there, off to merit badge sessions, and with over 20 different ones to pick from, the morning will be packed full of fun! Around midday Scouts take a quick break to prepare lunch, and then it is right back out for more merit badges!

As the afternoon starts winding down, Scouts will spend time as patrols working on pioneering projects or running an orienteering course. Evening is greeted with a wonderful dinner prepared by the Scouts, along with participation in various evening activities, ranging from side-splitting campfires to a camp-wide outpost, during which everyone sleeps out under the stars for a night at one of our themed sites.

Camp Dietler is Peaceful Valley's "patrol adventure camp." Here, troops will participate in a back-to-basics style of camping that gives Camp Dietler its bold and exciting character. Scouts will pitch their own tents, cook food as a patrol and learn how to work as a team to make their week successful. Camp Dietler will take your Scouts and show them the true meaning of outdoor camping while preparing them to take on any challenge nature can throw their way.

Not sure your troop has enough experience for something like this? Don't worry; our staff is here to help! All activities are done under the watchful eye of our trained staff, who will be on hand all week to assist you and your Scouts. We also provide patrol boxes and cooking gear, so minimal equipment is needed on your part to have a great time at camp. Tents are not provided.

Worried about your Troop's rank advancement?

Camp Dietler's program covers a significant portion of Tenderfoot, Second, and First Class. If you have Scouts that need some assistance catching up, look no further.

What about the Merit Badges?

Camp Dietler has a wide array of merit badge offerings throughout the day, including shooting sports and aquatics at Camp Cris Dobbins.
