

Join Cub Scout Pack 61!

Cub Scout Pack 61, chartered by ARP Presbyterian Church in Chester, SC, offers the full BSA Cub Scout program for girls and boys in kindergarten (K5) through 5th grade. Meetings are held on Monday evenings at 6:30pm.

Scouting is a year-round program. All Scouts and their leaders meet from August through August and go on camping outings and adventures together during the year. The Scouts also meet by age in smaller groups called Dens to work on age-specific character-building tasks during our Monday night meetings. In the summer months, the Pack meets bi-weekly to keep up fun activities and character building in the “off-school season.”

Pack 61 is an active, family organization. We enjoy local camping 2-3 times a year. These campouts are focused on fun and on teaching new Scouts and their families the joys of being outdoors. Other annual events include our always popular Pinewood Derby Car Race and Lowry's Parade.

Cub Scout adventures and advancement are age specific and each grade level has an associated Cub Scout Handbook that details the fun ahead. While some of the skills build from year-to-year (1st Graders learn to apply bandages while 4th Graders learn the signs and symptoms of a heart attack) the Cub Scout program is designed so that a new scout can start the program with peers, at any grade level.

At Pack 61, we believe that SCOUTING IS COOL and we know that all Scouts can live up to the Cub Scout motto of DO YOUR BEST!
